

Best Market for Western Nebraska Live Stock

Denver as a Feeder Market

THE RECENT RAPID GROWTH OF THE FEEDER BUSINESS AT THE DENVER LIVE STOCK MARKET IS CAUSING RANCHMEN OF THE MIDDLE WEST TO "SIT UP AND TAKE NOTICE." THERE ARE REASONS, AND THEY INCLUDE THE COMPARATIVE EASE WITH WHICH FEEDER SELLERS AND FEEDER BUYERS CAN BE ACCOMMODATED HERE.

WITH ITS EXTENSIVE PACKING HOUSE FACILITIES, DENVER WOULD BE ONE OF THE IMPORTANT LIVE STOCK MARKETS OF THE COUNTRY, BUT ADD TO THIS THE FEEDER MARKET, WITH ITS EVER INCREASING VOLUME OF BUSINESS, AND IT IS EASY TO SEE THAT THE IMPORTANCE OF DENVER AS A LIVE STOCK MARKET WILL CONTINUE TO GROW.

up the Rocky Mountain market. Fulton began newspaper work, completing his college course, ten years ago as a reporter, afterwards becoming managing editor of Denver Live Stock Record. It is making the statement too strong to say that the paper under his editing and management is one of the most interesting and helpful of all the stock market publications in this country. Fulton has seen the business of the Denver Union Stock Yards and

attained in the Denver live stock market, we do not hesitate to ascribe to him the commendation that is due for the excellent work that he has done. It ought to be appreciated by the men who are interested in the market and we believe that it is.

LOCAL DRUGGIST MAKES MANY FRIENDS

H. Thiele, druggist, reports they are making many friends through the QUICK benefit which Alliance people receive from the simple mixture of buckthorn bark, glycerine, etc., known as Ad-ler-i-ka. This remedy became famous by curing appendicitis and it is the most thorough bowel cleanser known, acting on BOTH the lower and upper bowels. JUST ONE DOSE of Ad-ler-i-ka relieves constipation and gas on the stomach almost IMMEDIATELY.

BIG HORSE AND MULE MEN

Enterprising Denver Dealers Transact Heavy Business in Horses During Past Ten Years

When we speak of Hollis & Platt, whose advertisement appears on the double page devoted to the live stock business at Denver, as the big horse and mule men, we do not refer to the size of the men, nor altogether to the size of the animals which they handle, as they differ in size, but to the volume of business transacted.

These gentlemen have been in the horse and mule commission business at Denver for ten years, and during that time have handled more than six million dollars' worth of horses, an average of more than \$600,000 per year. They have had a good market this year for range horses. Hollis & Platt are fortunate in the matter of equipment for their business. They have barn room and other facilities for handling 2,000 horses at one time.

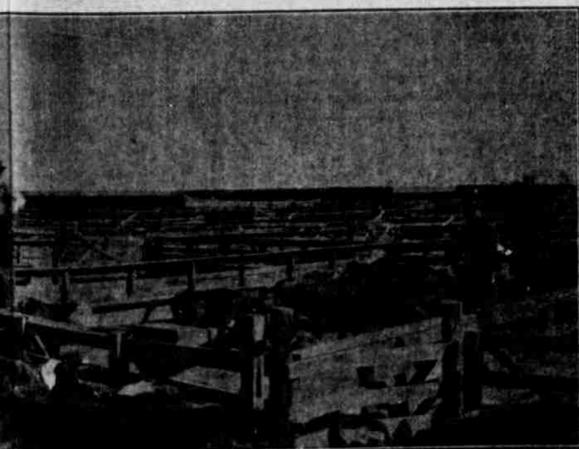

Horse men visiting Denver should make it a point to call at the horse market. The stock yards cars stop at the end of their run in front of Hollis & Platt's main barn and office.
